

## Meghalaya looking at options for technology in food processing

**Paris,** Chief Minister Conrad K. Sangma on Sunday said Meghalaya is looking at options for technology and machinery to build an efficient supply chain as well on development of product and branding to establish its unique identity.

Sangma was speaking at the SIAL (Salon International de l'alimentation) Paris 2018, one of world's biggest food innovation exhibitions.

Union Minister for Food Processing Harsimrat Kaur BadaI was also part of this mega food exhibition along with her delegation in Paris. She inaugurated the India stall in presence of the Meghalaya Chief Minister and Agriculture Minister Banteidior Lyngdoh

Mawphlang.

He said the visit to SIAL comes in wake of Meghalaya establishing its new Directorate of Food Processing to promote value addition of different agri-horticulture products and to devise strategy for innovative product startups.

"It is important to understand trends of the industry. We are here with our team of officials to engage with different companies and explore potential to market our products," Sangma said.

This year, India also hosted the first edition of 'Food India by SIAL' in New Delhi in an effort to showcase the diversity in product development and potential of food business in India.

"The world has realised

the potential of India in food processing. However, it is important for us to learn from advanced nations and collaborate with industry for transfer of modern technology," the Chief Minister said.

He expressed confidence that through 'Pradhan Mantri Kisan Sam Yojana' Meghalaya would be able to reap the benefit as the Ministry of Food Processing has started the ground work for starting a cold chain grid throughout the country.

"SIAL has given an opportunity to network with industry professionals from across the globe, learn the latest industry trends, innovations, and broaden business potential," Lyngdoh said.

## Business Brief

### Value buying, rupee lift equity indices; banking stocks gain

**Mumbai,** Broadly positive Asian markets, along with a stable rupee and value buying pushed the key domestic equity indices higher during Monday's morning trade session.

In addition, healthy buying was seen in interest rate sensitive stocks like banks, auto and capital goods.

Besides, the Indian rupee strengthened to around 73.28 to a US dollar from its Monday's open of 73.41 to a greenback. It had closed last Friday's session at 73.33 against the dollar. There was a slight rise in global crude oil prices to around \$80-per-barrel and other geo-political concerns capped gains. Index-wise, the S&P BSE Sensex opened at 34,689.39 points from its previous close of 34,315.63 pints on last Friday. Around 9.30 a.m., it traded at 34,540.89 points higher by 135.26 points or 0.39 per cent. Similarly, the Nifty50 of the National Stock Exchange (NSE) made gains during the morning trade session. ### Kerala CM hits out at Modi for being indifferent to state's needs

**Thiruvananthapuram,** Kerala Chief Minister Pinarayi Vijayan on Monday slammed Prime Minister Narendra Modi for his "negative approach" on the needs of the state, which is slowly picking up pieces after a devastating flood in August.

"I fail to understand why the Centre and the Prime Minister has taken such a negative approach to our needs. When I had met him (Modi), he was very considerate. I told him that the state's ministers were trying to meet the Kerala diaspora settled abroad for help," Vijayan told reporters here after returning from an official tour of the United Arab Emirates.

"At that time, Modi reminded me that he had done a similar exercise when earthquake struck his state and the Gujarati diaspora came forward to help."

Vijayan described his 4-day trip to the UAE as successful.

Vijayan said that was the last positive vibe from the Centre. When the Kerala government sent a list of ministers with their respective plans to travel abroad, only the CM's tour was approved.

"We have no idea why the Centre has taken such a stand against Kerala," said Vijayan.

He said that his trip to the UAE was a huge success and members of the Kerala diaspora as also the Emirates Red Crescent have promised help to the flood-ravaged state.

## SC verdict on firecrackers on Tuesday

**New Delhi,** The Supreme Court will pronounce on Tuesday its verdict on the plea for a ban on the manufacture, sale and possession of firecrackers across the country.

A bench of Justice A.K. Sikri and Justice Ashok Bhushan said although the matter was mentioned in Monday's (today's) list they would be pronouncing the judgment on October 23.

The top court had on August 28 reserved its order on the plea for a country-wide ban on firecrackers to curb the deteriorating air pollution.

The court had reserved its order after hearing the petitioners, firecrackers manufacturers, the Centre and the Central Pollution Control Board (CPCB).

The bench had earlier

said that there was a need to strike a balance between the right to health and the right to carry on a trade or profession.

It had also said that there was a fundamental right to livelihood of firecrackers manufacturers as well as the fundamental right to health of 130 crore citizens of the country.

The firecracker manufacturers had told the apex court that crackers were not the sole cause of rising pollution during Diwali. It was one of the contributing factors and that an entire industry could not be shut down on this count.

The manufacturers had contended that pollution had reached very high levels not due to the bursting of the firecrackers alone but also on account of vehicular pollution, construction dust and stubble-burning.

"The question is whether an entire industry can be shut down citing air pollution while other industries are allowed to con-

tinue," the five firecrackers manufacturers had contended.

During the hearing the court had expressed concern over the growing respiratory problems among children due to air pollution and said it would decide whether there has to be a complete ban or reasonable curbs on bursting of firecrackers.

The bench had cited a report that said 20-25 per cent children suffer from respiratory diseases.

One of the pleas filed by a child, Arjun Gopal, represented by lawyer Gopal Shankarnarayan, sought a ban on possession of firecrackers in the National Capital Region as it was contributing to an already alarming level of air pollution in the area.

In 2017, the apex court had prohibited the sale of firecrackers in NCR-Delhi during Diwali.
