For the removal of any doubts it is reiterated that the Company or Compliance Officer shall not in any way be responsible or liable and the concerned Insider alone shall be responsible and liable for any violation or contravention of the Regulations or any laws in this regard.

The board of directors or head(s) of the organisation of every person required to handle unpublished price sensitive information shall ensure that a structured digital database is maintained containing the nature of unpublished price sensitive information and the names of such persons who have shared the information and also the names of such persons with whom information is shared under this regulation along with the Permanent Account Number or any other identifier authorized by law where Permanent Account Number is not available. Such database shall not be outsourced and shall be maintained internally with adequate internal controls and checks such as time stamping and audit trails to ensure non-tampering of the database.

Any person in receipt of UPSI pursuant to a "legitimate purpose" shall be considered an "insider" for purposes of these Regulations and due notice shall be given to such persons

to maintain confidentiality of such UPSI in compliance with these Regulations.

Notwithstanding anything mentioned in 4.1 to 4.4 above an UPSI may be communicated, provided, allowed access to or procured, in connection with a transaction that would :-

6. Trading Plans:

A Perpetual Insider shall be entitled to formulate a trading plan and present it to the Compliance Officer for approval and public disclosure pursuant to which trades may be carried out on his behalf in accordance with such plan.

Note: *This provision intends to give an option to persons who may be perpetually in possession of UPSI (i.e. a Perpetual Insider) and enabling them to trade in securities in a compliant manner. This provision would enable the formulation of a trading plan by a Perpetual Insider to enable him to plan for trades to be executed in future. By doing so, the possession of UPSI when a trade under a trading plan is actually executed would not prohibit the execution of such trades that he had pre-decided even before the UPSI came into being.*

Such trading plan shall:

- i. Not entail commencement of trading on behalf of the Perpetual Insider earlier than six months from the public disclosure of the plan;
- ii. Not entail trading if the Perpetual Insider were to be in possession of the same UPSI both at the time of formulation of the trading plan and implementation of the same i. e. the UPSI at the time of formulation of trading plan remain as UPSI even at the time of implementation of trading plan.
- iii. Not entail trading for the period between the twentieth trading day prior to the last day of any financial period for which results are required to be announced by the

issuer of the securities and the second trading day after the disclosure of such financial results;

- iv. Entail trading for a period of not less than twelve months;
- v. Not entail trading during period when Trading Window is closed;
- vi. Not entail overlap of any period for which another trading plan is already in existence;
- vii. Set out either the value of trades to be effected or the number of securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected;
- viii. Not entail trading in securities for market abuse; and
- ix. Not entail trading by a person beyond the extent and manner disclosed in the trading plan except for pledging of securities.

The Compliance Officer shall review the trading plan to assess whether the plan would have any potential for violation of these Regulations and shall be entitled to seek such express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan. Before granting approval the Compliance Officer may insist that the Perpetual Insider declares that he is not in possession of UPSI or that he would ensure that any UPSI in his possession becomes generally available before he commences executing his trades under the plan.

Provided that pre-clearance of trades shall not be required for a trade executed as per an approved trading plan.

Provided further that trading window norms and restrictions on contra trade shall not be applicable for trades carried out in accordance with an approved trading plan.

The trading plan once approved shall be irrevocable and Perpetual Insider shall mandatorily have to implement the plan, without any deviation.

The trading plan shall not be commenced if an UPSI in possession of the Perpetual Insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation of the trading plan.

The Compliance Officer shall notify the plan to the Stock Exchanges.
